Board News Updates

We have been super busy working for you. Some of the things we are doing is bidding on landscaping and lawncare. Collecting data for gate access. Pool repairs to be done. Looking into security.

We will be preparing for a July meeting. We will email more updates on when but we hope to secure the Cora Spencer Elementary again.

JUNE 14TH OUR FLAG DAY

Our pool passed inspection right in time for Memorial Day week-end.

Our pool still has some mechanical issues so we are working on resolutions for this. We hope to have it fixed soon.

We are excited but let's help keep the noise down as we have neighbors who live around the pool and we want to be respectful to all.
