### Gate Maintenance

We have a gate maintenance company coming out to look at our gates as our back gates are currently down.

If you ever notice our gates malfunctioning or damaged please report it to First Service Residential as soon as possible.

We are currently looking into the damage that was caused on the roundabout at the main gate. It appears a vehicle ran over it

## December Holiday

Our Dec. holiday falls on Wed. Dec. 25th as well as Wed. Jan. 1st, there is no need to worry about our Garbage or Recycling pick up. We will be on our regular scheduled days of (Mon.-trash & recycle and Thursday-trash only). Thanks to everyone who acknowledged the Thanksgiving schedule by not putting your trash out. If you plan to be on vacation or out for a week-end please check your doors to ensure they are locked. Some of the balcony doors can blow open by the wind so be sure you lock up.

Remember the Festival of Lights at Joe Pool are currently creating traffic delays, keep this in mind when traveling on Lakeridge Drive during evening hours until the end of the year
