**HAPPY LABOR DAY EVERYONE! Reminder: NO Trash will run on Monday, Sept. 7th**

- Please remind your neighbors to not put their trash out on Monday, Sept. 7<sup>th</sup> as City will not do a pick up.
- Please help us remind your neighbors to not put trash on plants, shrubbery or grass as it is destructive to our irrigation system. All trash should be set on concrete curb.
- Back entrance pedestrian gate is broken so please refrain from using it until repairs completed.
- Landscaping – new drip lines in areas that were either run over by cars or trash on top of lines, again, please be careful when entering or exiting your driveways as these lines run across the medians next to the driveways & if you cut your wheel to short could cause irrigation damage.
